

Dear WLE Parents,

Westlake Elementary has some exciting news! We've just joined the **eScrip Recycling Program**. This program is FREE and provides a convenient location for collecting used laser/toner and inkjet cartridges, used cell phones, digital cameras, iPods, GPS devices and laptops while raising funds for our teachers to use in their classroom.

How the program works: An eScrip Recycling collection bin will be placed in front of the school office. You can drop off your recyclable items whenever it's convenient for you. Periodically, our school will mail the items collected at our school to the **eScrip Recycling** offices. **eScrip Recycling** will then deposit funds electronically in WLE's Scrip account.

Did you know that every second of every day nine ink cartridges are thrown away? Help us turn this waste into CASH! Please donate your cell phones, digital cameras, GPS devices, cartridges, iPods and laptops by placing them in the collection bin.

Not only is this an easy way to raise funds, it also teaches our students valuable lessons about the variety of materials that can be recycled and it helps them develop life long patterns.

This program will not be successful without the support of the community and people like you. Thank you for your help in recycling.

Sincerely,  
Elizabeth D'Amore  
WLE Scrip Coordinator
